INTRODUCTION

At the Odyssey Arena we believe in valuing our corporate clients and guests. In order to enhance our corporate offering as a world class arena and market leader we have invested in the future to the sum of over £1million this year in the total refurbishment of our complete corporate hospitality facilities and packages.

In line with our contemporary new look and feel we are also introducing an exciting new corporate option with our superb west suite as the ultimate corporate experience as well as introducing exciting new menu options from our in house catering. In a challenging and competitive market place why not reward your clients and guests by giving them the opportunity to see world class acts and shows in a world class arena.

WEST SUITE

To meet the demand of a changing corporate market place we have created the ultimate corporate experience in the west suite.

Ideal for smaller more intimate groups the west suite will have a capacity of 64 seats which are in the arena directly below the glass fronted lounge area.

Annual Membership prices are available on request.
